Linda says, “I love using stories as illustrations. I craft my presentations to be dynamic and interactive to lead audiences into transformative, life-changing prayer experiences with God.”

Linda’s passion for prayer began in childhood. She wanted to talk to God but didn’t know how to connect to Him.

Years later, Linda became a self-proclaimed prayer detective when her daughter was injured in a car crash. Linda was determined to do all she could to reach out to God on behalf of her child.

*“I learned to trust God on a deeper level as I’ve learned to see His heart for me, even in my difficult circumstances.”*

The prayer secrets Linda discovered fuel her messages of hope and healing. Linda captivates her audiences with her peace, humor, and effervescent joy.

Linda’s audiences receive grounded biblical teaching and hope — exchanging worry, despair, and stress as they flow into God’s love. Many report a loss of worry lines and the world’s weight as they experience the fullness of God’s peace.
